

# HP Hahnemühle Watercolor Paper 210 g/m<sup>2</sup>

This soft-textured, coated watercolour paper delivers gallery-quality results that will resist fading for more than 200 years<sup>1</sup>. Naturally white material contains 50% cotton rag content for strength and durability.

- Add flair to fine art and photographs by using soft-textured 50% cotton rag.
- Preserve the quality of your art – prints will resist fading for more than 200 years<sup>1</sup>.
- Produce gallery-quality art with rich, accurate colours and precise detail.

<sup>1</sup> Based on preliminary display permanence testing under glass by Wilhelm Imaging Research using HP 38 Vivera Inks. For details, see [www.hp.com/go/printpermanence](http://www.hp.com/go/printpermanence)

Professional photographers and serious hobbyists who want to diversify their creative portfolio with a unique and attention-grabbing medium. Ideal for fade-resistant, durable portraits, fine art and commercial prints.
