² Windows only

³ Including all consumables

⁴ To qualify for the extended 3 year warranty, register your product online at www.okiprintingsolutions.co.uk/warranty. Without registration, the standard pan-European 1 year warranty applies.

Consumables

For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI Printing Solutions toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

MC360 Specifications

OKI
PRINTING SOLUTIONS

Exceptional colour with true multifunctionality for your small workgroup

The MC360 4-in-1 multifunction printer is ideal for demanding users or small workgroups. Compact enough to fit seamlessly into any workspace the network ready MC360 delivers exceptional quality colour printing, copying and scanning together with professional faxing for all to share.

Printing 16 pages per minute (ppm) in colour and 20ppm in mono the MC360 meets the needs of the more demanding user whilst lowest in class running costs make it exceptionally affordable to own and run. Delivering true in house printing possibilities it feeds 203gsm paper with ease and handles banners up to 1,200mm long. With its 50 sheet automatic document feeder (ADF) the MC360 makes light work of copying and scanning multi-page documents.

High efficiency working that's easy to use the MC360 can send faxes or scans documents direct to PC, network and email, even while printing. Complementing this high performance MFP is OKI's unique 3 year on-site warranty and the MC360 becomes a total peace of mind purchase.

The MC360 includes a unique set of software designed to help users get the most of their product and investment. These advanced utilities come as standard in the box and deliver increased printing power and management control.
