

Office Fax LF8045

Laserfax, telephone and copier

Fast, easy and fits anywhere

Our compact and economical multifunctional fax machine combines faxing with copying. With the easy to use telephone it's perfect for your home or small business.

Powerful and fast

- Speedy 33.6 Kbps modem for fast fax transmission in as little as 3 seconds per page
- 16 ppm copying with reduced or enlarged original images (from 25 – 400 %)
- Large 20 paged automatic document feeder & 250 sheets cassette easy paper handling
- Quick scan with 200 dpi gives you professional looking documents

Advanced business functions

- Extremely large page memory of 400 pages
- On-hook dialling and redialling of the last 10 numbers help save your precious time
- Broadcasting of SMS or text messages to fax for even more convenient and efficient communication
- Transmission report with reduced first page for an accurate work-flow

Fits anywhere, easy to use

- Small footprint takes up very little space
- Simple to set up and configure
- Structured panel for easy and fast operation
